

# DAMQG Charity Block of the Month

Each month our DAMQG members work together to provide quilts for children in foster care in the metro Detroit area.

During our meeting we'll receive a simple block pattern and color guide for members to make a block or two (or more?) to bring back to the next month's meeting. Someone will take the blocks home to complete the top, and then our Charity Coordinator will drop it off with a generous long arm quilter and add the binding and drawstring bag.

For more information and other ways to help, see our Charity Quilts page at [detroitareamodernquiltguild.com](http://detroitareamodernquiltguild.com) or contact Maribeth at [damqgtreasurer@gmail.com](mailto:damqgtreasurer@gmail.com)

# DAMQG Charity BOM – Feb 2023

Our February charity block is the Sunday Morning pattern from the book *Sunday Morning Quilts* by Cheryl Arkinson and Amanda Jean Nyberg. It's a quick and simple block you can make from your scraps, so consider making more than one to bring to our March meeting or pop in the mail if you can't come in person.

Colors: purple, pink, grey and black

Unfinished Block Size: 12.5 x 12.5 inches

Block Instructions:

1. Sew several 10-inch strips of fabric together to create a stack at least 13 inches tall.
2. Cut a 3.5-inch x 13-inch strip and sew it perpendicular to the stack of stripes.
3. Trim block to 12.5 x 12.5 inches.

Sample Block:
